Pastor, this is a great opportunity to minister in India. Our Host Pastor Dr. Kumar in Rajahmundry, India is looking forward to us coming. We will be teaching during the day and preaching at night.

The Ukraine & Russia -April 28 to May 28, 2009

We are really looking forward to going to the Ukraine & Russia. We will fly into Lvov and meet with family and visit with Pastor Oleksandr Romanyuk to discuss and plan for youth to go to the Ukraine in June or July of next year. Please pray about this meeting. We will then fly to Kiev and on to Kharkov. We will meet up with Dr. Ron Minton and Nancy and for the next three weeks we will minister in Kharkov and Lugansk. We will be ministering in the churches, orphanages, teaching a soul winning modular, and check on the church in Lugansk. We are planning on passing out several thousand tracts in the Ukraine. On May 18, we will fly to Moscow and on to Saint Petersburg to meet up with missionaries Jon and Larissa Zwingle, to minister for 10 days. Hopefully, during this time in the Ukraine and Russia we will also meet with American and European Missionaries. This will be the longest time we have spent in country. Please pray for us as we will be taking 10 different flights. This trip is important as we are hoping to see many souls saved. Please pray about helping us in the expense of this trip.

March was a great Month

We began our month with Central Baptist Church and then we went to New Hope Baptist Church in Roanoke where we participated in their monthly Missions Conference. From there to Faith Baptist Church in Waverly, VA, one of our supporting churches. We had a wonderful time at Faith and thank you, Pastor Larson, and church family for your hospitality and gracious love gift. From there we went to Cornerstone Baptist Church and I filled the pulpit for Pastor Johnny Eastwood. Altogether, it has been a good month.

The deputation trail can be very taxing and at sixty three, some days I feel much older. Please keep us in your prayers. My new book is out and we have sold about 80 books.
